## Presidents Report

Welcome to Australia's premier Volkswagen event, the VW Nationals 2011.

The committee and I hope you and your family have an interesting and entertaining day at our show. This is our twenty fourth year, the VW movement seems to be growing stronger every year. We have worked very hard to present the best VW car show in Australia.

It's great to see the influx of water-cooled Volkswagens, covering all types and year models from 1974 to present day. Hopefully these new recruits to the VW show scene will aspire to a bonding of friends similar to what has happened with the air-cooled generations.

The Super Sprint is on once again at Wakefield Park near Goulburn, approximately 2 hours south of Sydney. This should prove entertaining to the public and Volkswagen spectators alike, and now with CAMS affiliation we hope to attract more members, to enjoy the motor racing side of the Club.

I hope our event appeals to you and your family and you become inspired by the display of vehicles and traders over the weekend.

Once again our major sponsors Volkswagen Group of Australia are supporting our club with sponsorship, and several display vehicles will be on show at Fairfield.

In the centre of this program you will find our event listing for the weekend. We thank Fairfield City for the use of their facilities. The complex is ideal for our show as everything is within easy walking distance. Don't forget to purchase your Nationals regalia from the Club Vee Dub Sydney stand in the car show area. While you're there, enjoy the VW movies on the big TV and purchase some raffle tickets in the Nationals raffle.

I hope you have a great time at the VW Nationals 2011.

Steve Carter

## Canberra Report

A chilly hello from Canberra, the winter season approaches and you know what that means - VW Nationals in Sydney! Check out all of the times and details in this magazine, its a great event, you shouldn't miss it.

The Canberra Chapter will have its usual convoy to the event, leaving the Russell carpark at 2pm on Saturday 21 May - be there on time or you will have to catch up! We have emailed members with relevant accommodation details, if you still need the info then contact someone on the committee. It will be a great weekend, come along, meet new people, and see some great VWs.

We had a great car care evening recently, run by Maguiars, and ran it as a mixed VW - Porsche activity. We'll have a report in the next magazine on this, thanks Mark for organising the event.

Make sure you save the weekend of 17-18 September, this is German Autofest here in Canberra, our annual carshow and its sure to be an excellent show. What more could you want - Spring weather, on the shores of Lake Burley Griffin, and German engineering on display? There's a flyer in this magazine and we'll be telling you more about it as we get closer.

Enough babbling from me, make sure you get to the Nationals, it's well worth the trip. Happy Dubbing!

Bruce

This year the **Bug Off Cancer! Drive** will be done in conjunction with the Winter Break drive to Sawtell on 20 August 2011.

It is not a condition to raise funds to go on the drive, but if you are planning on going on the drive and want to raise funds for a good cause, then this would be a good time to do it. There is no minimum amount to raise. It's not a competition. Any amount raised is better than none. There are no entry fees. Those who are interested in being a part of the Bug Off Cancer! Drive fundraiser team, you can go to: <http://www.everydayhero.com.au/bugoffcancer> and register your interest. I will then confirm you as a team member and you can begin to organise to raise funds for cancer research. Those who want to sponsor you can do so by going to the above website, click on your name and register their sponsorship of you. The funds donated will be against your name, and go toward the team total.

If you're not able to go on the drive, and want to donate, you can by going to the above website, nominate a team member and donate to anyone of them or just to the team.

After the Sawtell sector, I will be continuing north to Caloundra, across to Charleville, then on to Bourke, Cobar and back to Sydney. If there are any other VW owners who would like to participate in any part of the drive, please drop me a line and we can put you in as part of the Bug Off Cancer! drive team.

Should you wish to follow the drive, you can follow on Facebook. Just search for bugoffcancer. If you want to know more about Australian Cancer Research Foundation you can go to <http://www.acrf.com.au> - Norm Elias

## VW bik.e

Volkswagen has rolled out its first ever two-wheeler at Auto China 2010. Following a flurry of flapping and arm waving highly sophisticated dance number, V-Dub research and development chief Dr. Ulrich Hackenberg rode confidently onto the stage aboard the VW bik.e (not a typo). A very cool looking piece of mobility art that looks a little like a small bicycle without the pedals, the battery-powered device has definitely been designed with both form and function in mind: the whole thing folds quickly down into a flat disc that fits quite

nicely into the spare tire compartment found in the bottom of most trunks.

While auto shows are known for their concepts that never see the light of day, we are told there are plans to actually commercialize this machine, though it probably won't come as an option with your next VW. With a range of 20 kilometres (12.5 miles), it's not meant for long distance treks but rather as a supplement to your car. Its official top speed is 20 km/h (12.5 miles per hour) to allow Germans to ride it helmetless, though word on the street says the version at the show could go much faster. No mention was made about how long it takes to charge, but apparently the bik.e's batteries can be replenished by a car's DC current as well as a typical AC plug.

## Gamers go too hard

So you think that you're the next driving phenomenon just because you sliced through F1 without a scratch or get the itch to bolt when you see disco lights in your rear-view because you outran the cops in Need for Speed?. Well you better think again, because Continental Tyres have released a study that says exactly the opposite.

Although gamers are more likely to pass driving

tests in fewer attempts, they admit to taking higher risks and making more insurance claims. The study quizzed 2000 motorists, with equal gamers to non-gamers, and the results also showed that the players of racing games are ticketed and crash into stationary objects more than their book-reading friends.

So next time you try to speed into that little gap in traffic, just remember there's no reset button for your real pride and joy.

## THE TOY DEPARTMENT

Welcome to the VW National's edition of The Toy Department.

Following on from last month's article on the new 1/18 Schuco releases I thought I would continue the theme with the further addition of this 1/18 Schuco split window panel van blue in colour. These are now available on line for about \$160 euro (\$230 AU) delivered – expensive I know but these are mostly limited in production (1000 to be exact) and exclusive to Germany so you may want

to consider taking advantage of the strong Aussie dollar.

This month I have also featured some "one off" modified conversions to the 1/18 Schuco range of models that people around the world have undertaken.

### **Why not become a member of Club Vee Dub?**

You don't have to be a member to enjoy VW Nationals or to enter any event. Club Vee Dub Sydney inc. is centred in Sydney, with many members throughout Australia and overseas. The benefits of membership are plenty:

- Club discounts
- CAMS affiliated
- Professional advice
- Access to club tool library
- Access to club book library
- Access to club video library
- Picnic and fun days
- Observation runs
- Vintage plate facilities
- Zeitschrift (monthly magazine)

Our club magazine (Zeitschrift) has won many awards. Club Vee Dub was the first VW Club in Australia with a vintage plate facility for members (for standard vehicles 30 years or more). Club Vee Dub supports several charities through our fund raising activities. Send \$45.00 Au (within Australia) or \$55.00 Au (International) to Club Vee Dub Sydney

These are quite good ranging from lowering the body and putting on some slick wheels to making this red Porsche panel van looking like it has been stored away for some time in barn, the detail I must say is all very good.

Australia's premier  
VW/Audi owners' club!

About Club VeeDub Sydney

Do you own a Volkswagen or Audi? Have you had trouble fixing it, or finding a decent VW mechanic who can? Maybe you'd like to restore your classic VW, or what about hotting it up instead? No matter what your VW need is, Club VeeDub Sydney can help you!

Club VeeDub was formed in 1985 to cater exclusively for VW and Audi owners. We're Australia's largest VW/Audi club with members in every state and overseas, but we're based in Sydney. Our logo shows this - the Sydney Harbour Bridge combined with VW's Wolfsburg Crest.

Club VeeDub is dedicated to keeping as many Volkswagens on Australia's roads for as long as possible. We aim to do this by helping owners maintain their enthusiasm and love for their VWs, because as we say, The Legend Never Dies!

Why join Club VeeDub Sydney?

Firstly, as a Club VeeDub member, you'll receive discounts on parts and service from all recommended workshops and parts outlets. Just show your club card! Your membership fee can often be recovered by the savings on your next service.

You'll receive a monthly copy of our club magazine, *Zeitschrift* (that's German for 'magazine'). It's full of the latest VW news, tech tips, how to articles, history, humour and all sorts of good stuff for the VW fan. It's the most readable VW magazine in Australia.

You're not required to attend meetings, nor participate in any way if you so desire. You can, if you wish, simply accept the benefits we have to offer with no obligation.

However, for the enthusiast we provide

a wide range of other benefits and activities.

If you have a VW older than 30 years and you don't drive it much, we can offer you Vintage Registration to save you an enormous amount on your annual rego bill. Your VW will also look great on its Vintage Rego plates.

You're welcome at our monthly meetings, which are informal and good fun. No 'moving the motion that the minutes be seconded' stuff! There's raffles, quizzes, films, talks and other cool things. Members can borrow VW books, videos, manuals, brochures and magazines from our extensive club library - for free.

Need that special tool to fix your VW? We have an large range of VW factory tools and special fittings you won't find anywhere else, all free to members. We also have many contacts in the VW trade who are happy to offer you free technical advice on restoration, modification and any other VW matter you could think of.

You'll also be welcome to any of our cruises, show days, swap meets, social events, drag days and other events for the VW nut. We also host the VW/Audi Nationals, Australia's premier VW/Audi event, every Easter.

Benefits for Club VeeDub Members

- Club VeeDub member card for discounts on VW parts and service
- Free monthly issue of *Zeitschrift*
- Professional advice on VW restoration, modification and service
- Free book, magazine and video library
- Free VW tool lending library
- Vintage Registration for 30 year-old VWs
- Non-boring, entertaining meetings with heaps of prizes and laughs
- Enjoyable social events throughout the year
- The VW/Audi Nationals
